## **Donald M. Fehr Statement Regarding NHLPA**

**New York, NY, Thursday, November 12, 2009** ... Major League Baseball Players Association outgoing Executive Director, Donald M. Fehr, today issued the following statement regarding the National Hockey League Players Association.

“After discussions with its Executive Board, I have agreed to assist the NHLPA committees established to review the union Constitution and to begin the process of finding a new Executive Director. Hopefully, my experience at the MLBPA will be of help as the NHLPA members consider the reorganization of their union.”
